**Senior Men**

Dominican Republic's Julio Goris excitedly said in the beginning of the 6th game, "I'm about to do something that I've never done before." And he did. Colombia's Heriberto Florez and Jhimy Gauldron took those medals, moving Canada's Nerona and USA's Roberts down the list.

**Junior A Men (16-19 yrs old)**

Gold for the Junior A men as well as silver and bronze were in heavy contention in the last 6 games of singles. With Manino Fernandez, Dominican Republic, posting 602 for games 7-9 - 33 pins better than Puerto Rico's Azcona and 51 pins better than Team USA's King. There were at least two games that could have seen Fernandez lose his lead for the day, but coming back with a 247 for the 12 game assured him the Gold for singles. Cristian Acona, Puerto Rico takes silver with both games 7-9 and games 10-12 totals better than Team USA's Kyle King who gets the bronze.

Score corrections were made from the first 6 games to change yesterdays scores but not positions.
